

The Hong Kong Education department offer a number of facilities designed specifically to support teachers and which are available to E.S.F. staff.

Of particular interest may be the Media Productions Services Unit (*MPSU*) which is an extremely well equipped Centre to help in the the development of teaching aids ... and has a large poster laminator (*as does QBS and KGV*)

HK EDUCATION DEPARTMENT

Staff living at Braemar Hill are especially fortunate as many of the Centres listed are at the bottom of the hill on the way to the North Point ferry.
